

World-renowned Storage solutions for your laboratory

All Gratnells storage trolleys are available in two heights - 725mm for under bench storage or the standard height 850mm model.

They are also available in two different formats - complete with F1 shallow storage trays & runners as well as empty frames so that you can add whatever combination of trays you need.

(N.B. - all trolleys are shipped unassembled to help reduce freight costs)
